

Lavatio

How does Lavatio scale while reducing its carbon footprint?

— argos —
climate action

A NEW MILESTONE

Lavatio acquires
Witteler & Burkhardt to

- Strengthen its position in Germany
- Expand capacity in key metropolitan regions
- Accelerate its buy-and-build strategy

SUSTAINABILITY AT THE CORE

W&B operates with:

— **Industry 4.0 automation**

— **Heat & water recovery
systems**

— **Solar energy and energy-
efficient processes**

Lavatio

“This acquisition perfectly reflects Argos Climate Action’s ambition:

scaling platforms while continuously reducing CO₂ intensity.”

Fabian Söffge, Partner at Argos
